Subject: SSFL Interview Inquiry

Dear Mr. Taylor,

You likely do not remember me. We met during EPA's HSA Employee Interviews at the [REDACTED] FX-6
[REDACTED] FX-6 Personal Privacy several years ago.

I'm an advocate for former SSFL personnel seeking benefits under the Energy Employee Occupational Illness Compensation Program Act (EEOICPA). A fellow advocate remembered an interview you participated in with [REDACTED] FX-6 Personal , which may have been conducted before the HSA and therefore not included in the final HSA compilation of employee interviews. It was suggested that [REDACTED] FX-6 recollections could be helpful in our efforts to clarify worker eligibility to the EEOICPA program.

Might you have recollection and/or access to the interview with [REDACTED] FX.

[REDACTED] FX-6 ?

Is it possible for me to review? Any assistance would be greatly appreciated.

Thank you for your time with my correspondence.

Sincerely,

[REDACTED] FX-6
